**INFRARED TRAINING INSTITUTE**  
INFRARED TRAINING AND THERMAL IMAGING SOLUTIONS

## **Infrared Thermography Certification Fax Registration Form**

We believe that a successful IR program requires qualified infrared technicians. The first step in achieving this goal is professional hands-on training. To this end, we offer Certification courses to educate your thermographers in the use of your Infrared Equipment as a nondestructive testing tool.

To enroll in one of our classes, please fill in the registration form below and fax it back to the number below. For more information by phone, please call 409-861-0788 or email [JenniferL@infraredcamerasinc.com](mailto:JenniferL@infraredcamerasinc.com)
