2020 REGISTRATION FORM

We believe that a successful IR program requires qualified infrared technicians. The first step in achieving this goal is professional hands-on training. To this end, we offer Certification courses to educate your thermographers in the use of your Infrared Equipment as a nondestructive testing tool.

To enroll in one of our classes, please fill in the registration form below and fax it back to the number below.

FAX REGISTRATIONS TO 409-866-7229

One Registration form per student.
